The ultimate GRUDGE MATCH! Beat or be beaten in the most realistic wrestling game of your life.

The Rules

None! This is a No-Hold-Barred Free-For-All with no escape, don't look to the ref for help for he has already been thrown out of the ring.

The Contestants

Each Player chooses one of six of the meanest mugs ever to hit the canvas.

The Round

The rounds are Operator adjustable in duration, but can also be ended by pinning an opponent.

A player may buy-in after he has lost and call for a re-match. Once you've beaten the same opponent 3 times in a row, you may advance to a new opponent. When you've beaten all the other wrestlers 3 times each, you are declared "World Champion."
